A little about **The and who we are.**

Founded in 1935, with kosher certification as the sole focus, we are a **non-profit organization** providing for the industry and serving kosher consumers.

OK Kosher is the global benchmark for kosher standards in all sectors. **The OK symbol** is the most **instantly recognizable** kosher certification mark in the world.

OK certified ingredients are found in **one out of every two to three kosher certified products** worldwide, and our supervision is **universally accepted**.

OK Kosher provides kosher supervision and certification for food and beverage **manufacturers, food service establishments** and companies in **related industries.**

Our motto is

KOSHER WITHOUT COMPROMISE

Leadership

Rabbi Berel Levy

Of Blessed Memory
1965-1987

Rabbi Don Yoel Levy

Of Blessed Memory
1987-2020

Rabbi Berel Levy excelled in bringing OK Kosher to the fore of international recognition in his time. His son and successor, Rabbi Don Yoel Levy, furthered this work in setting the benchmark of kosher regulatory standards until his untimely passing in the spring of 2020. Succeeded by his **Board of Trustees**, governing **Kashrus Committee**, and **Management Team**, OK Kosher carries on their legacy, remaining at the helm of Kosher, globally.
